

Workshop Summary

National Biogas Day Workshop on “*Roadmap for Compressed Biogas (CBG) in India*” was organized by BDTC IIT Delhi on 15th September 2018 at IIT Delhi with MNRE, IOCL, Biogas Forum India, SIAM and UBA as joint-organizers. Shri Giriraj Singh, Hon’ble Minister of Small and Medium Enterprises (MSME) was the chief guest for the workshop. Over 100 participants from diverse fields including PSU's, industries, automobile manufacturers, different ministries including MNRE, MoPNG, MoRTH and MoA, academia, research organisations and financing agencies actively participated in the workshop. Sessions were held on Financing, policy and institutional mechanism required for CBG sector, Technical challenges and innovations in CBG Sector and Roadmap for advancement of CBG in India. Several important recommendations were obtained after day long deliberations for effectively drawing a roadmap for CBG which would be included in the upcoming policy for CBG in India.
